

# Don't Look Back in Anger

Oasis (1996)

[4/4 - Britpop anthem feel] Key: C major

## Intro:

| [C] | [G] | [Am] | [E7] |  
| [F] | [Fm] | [C] | [C] |

## Verse 1:

[C] Slip inside the eye of your [G] mind  
Don't you know you might [Am] find  
A better place to [E7] play  
[C] You said that you'd never been [G]  
But all the things that you've [Am] seen  
Slowly fade [E7] away

## Pre-Chorus:

[F] So I start a [Fm] revolution from my [C] bed  
'Cause you said the [G] brains I had went to my [Am] head  
[F] Step outside, the [Fm] summertime's in [C] bloom  
[G] Stand up beside the fireplace  
[Am] Take that look from off your face  
[F] You ain't ever gonna [Fm] burn my heart [C] out

## Chorus:

[C] So Sally can wait  
She knows it's too late  
As we're [G] walking on by  
[C] Her soul slides away  
But [Am] don't look back in anger  
[F] I heard you [C] say

## Verse 2:

[C] Take me to the place where you [G] go  
Where nobody [Am] knows  
If it's night or [E7] day  
[C] Please don't put your life in the [G] hands  
Of a rock 'n' roll [Am] band  
Who'll throw it [E7] all away

## Pre-Chorus (repeat):

[F] So I start a [Fm] revolution from my [C] bed

'Cause you said the [G] brains I had went to my [Am] head  
[F] Step outside, the [Fm] summertime's in [C] bloom  
[G] Stand up beside the fireplace  
[Am] Take that look from off your face  
[F] You ain't ever gonna [Fm] burn my heart [C] out

**Chorus (repeat):**

[C] So Sally can wait  
She knows it's too late  
As we're [G] walking on by  
[C] Her soul slides away  
But [Am] don't look back in anger  
[F] I heard you [C] say

**Outro:**

[C] Don't look back in [G] anger  
[C] Don't look back in [Am] anger  
[F] I heard you [C] say  
At least not [G] today

**Ukulele Tips:**

Use a light down-down-up-up-down-up strum and keep the rhythm even.  
Let chords ring to capture that big Oasis singalong feel.  
Add soft fingerpicking in the intro for texture if you like.  
Sing it like you mean it – Britpop works best with a bit of attitude.
