OUTRO

[Am] [F] [E7] [F]

Ukulele Tips: The song drives on a powerful loop: ****Am-F-E7-F****.

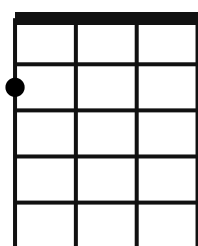

Keep the rhythm tight and percussive — mute with the side of your hand for those punchy “Pain!” hits.

Use ****down, down-chuck, up-chuck, down**** at about 125 bpm.

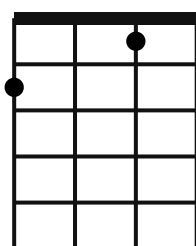

If you want to mimic the thunderous original, stomp your foot on beats 1 and 3.

This one’s about energy, not polish — let it crack, growl, and roar.
