

Both Sides Now Joni Mitchel

[4/4]

Intro:[A][Bm][D][A]

[A] Bows and [Bm] flows of [D] angel [A] hair,
And ice cream [C#m7] castles [D] in the [A] air,
And feather [D] canyons [Bm] / everywhere;
I've looked at clouds that [E7] way.

But [A] now they [Bm] only [D] block the [A] sun,
They [C#m7] rain and snow on [D] every[A] one,
So many [D] things I [Bm] / would have done,
but clouds got in the [E7] way.

I've [A] looked at [Bm] clouds from [D] both sides [A] now,
From [D] up and [A] down, and [D] still some [A] how
It's [C#m7] cloud's ill [D] usions [A] I recall
I [D] really don't know [E7] clouds [E7] at [A] all. [Bm] [A] [E7]

[A] Moons and [Bm] Junes and [D] Ferris [A] wheels,
The [C#m7] dizzy dancing [D] way you [A] feel
When every [D] fairy [Bm] / tale comes real;
I've looked at love that [E7] way.

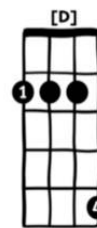

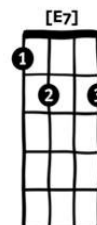

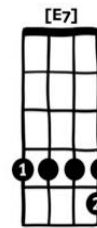

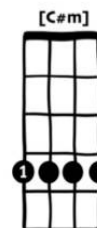

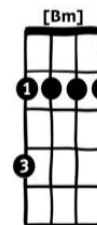

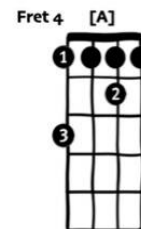

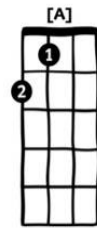

But [A] now it's [Bm] just a [D] nother [A] show,
You [C#m7] leave them laughing [D] when you [A] go,
And if you [D] care don't [Bm] / let them know,
don't give yourself a [E7] way.

I've [A] looked at [Bm] love from [D] both sides [A] now,
From [D] give and [A] take, and [D] still some[A] how
It's [C#m7] love's ill [D] usions [A] I recall
I [D] really don't know [E7] love [E7] at [A] all. [Bm] [A] [E7]

[A] Tears and [Bm] fears and [D] feeling [A] proud,
To say "I [C#m7] love you" [D] right out [A] loud;
Dreams and [D] schemes and [Bm] / circus crowds;
I've looked at life that [E7] way.

But [A] now old [Bm] friends are [D] acting [A] strange,
They [C#m7] hake their heads; they [D] say I've [A] changed
But something's [D] lost and [Bm] /
something's gained in living every [E7] day

I've [A] looked at [Bm] life from [D] both sides [A] now,
From [D] win and [A] lose, and [D] still some [A] how
It's [C#m7] life's ill [D] usions [A] I recall
I [D] really don't know [Bm] life [Bm] [E7] / at [A] all. [Bm] [A]
