**Ukulele Tips:** Chords: \*\*G, Em, C, D\*\* — classic shapes, smooth changes, bright tone.

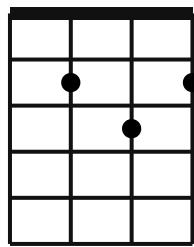

Keep the strumming gentle: \*\*down-down-up-up-down-up\*\* around 100 bpm.

For a lo-fi feel, strum near the neck or fingerpick 4-3-2-1 softly.

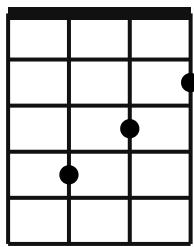

PinkPantheress' tone is whispery and close — sing it like you're telling a secret.

Let the final G ring until it fades completely, leaving that dreamlike afterglow.
