VERSE 1

[G] The snow glows white on the **[C]** mountain tonight

[Am] Not a footprint to be **[D]** seen

[G] A kingdom of isola **[C]** tion

And it **[Am]** looks like I'm the **[D]** queen

[G] The wind is howling **[C]** like this swirling storm inside

[Am] Couldn't keep it in, **[D]** heaven knows I tried

PRE-CHORUS

[Am] Be the good girl you always have to be

[C] Conceal, don't feel, don't let them know

[D] Well now they know!

[Em] Can't hold it back any **[C]** more

[G] Let it go, **[D]** let it go

[Em] Turn away and slam the **[C]** door

[G] I don't care **[D]** what they're going to **[Em]** say

Let the storm **[C]** rage on

[Bm] The cold never **[C]** bothered me anyway

VERSE 2

[G] It's funny how some **[C]** distance

[Am] Makes everything seem **[D]** small

[G] And the fears that once con **[C]** trolled me

Can't get **[Am]** to me at **[D]** all

PRE-CHORUS

[C] It's time to see what I can do

[Am] To test the limits and break through

[C] No right, no wrong, no rules for me

[D] I'm free!

CHORUS

[G] Let it go, **[D]** let it go

[Em] I am one with the wind and **[C]** sky

[G] Let it go, **[D]** let it go

[Em] You'll never see me **[C]** cry

[G] Here I stand **[D]** and here I'll **[Em]** stay

Let the storm **[C]** rage on

BRIDGE

[Em] My power flurries through the **[C]** air into the ground

[Em] My soul is spiraling in **[C]** frozen fractals all around

[Em] And one thought crystallizes **[C]** like an icy blast

[Am] I'm never going **[D]** back, the past is in the past

FINAL CHORUS

[G] Let it go, **[D]** let it go

[Em] And I'll rise like the break of **[C]** dawn

[G] Let it go, **[D]** let it go

[Em] That perfect girl is **[C]** gone

[G] Here I stand **[D]** in the light of **[Em]** day

Let the storm **[C]** rage on

[Bm] The cold never **[C]** bothered me anyway

Ukulele Tips: This version in ****G major**** is far easier to play and sing than the film's original **Ab**.

Chords: ****G, D, Em, C, Am, Bm**** — all open-position friendly.

Start gently: single downstrums on the first verse, then build to a ****down-down-up-up-down-up**** strum as the chorus expands.

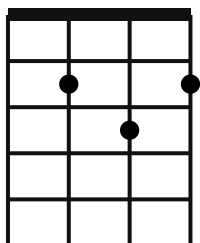

uke.lol

For extra atmosphere, let open strings ring; the resonance matches Elsa's icy tone beautifully.

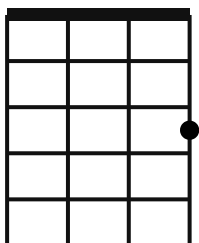

Around ****90 bpm**** works perfectly.

Channel your inner drama — half Disney magic, half personal catharsis.
