VERSE 1

[G] Loving can hurt

[Em] Loving can hurt sometimes

[C] But it's the only thing

[D] That I know

[G] When it gets hard

[Em] You know it can get hard sometimes

[C] It is the only thing

[D] That makes us feel alive

PRE-CHORUS

[Em] We keep this love in a **[C]** photograph

[G] We made these memories for **[D]** ourselves

Where our **[Em]** eyes are never closing

Our **[C]** hearts were never broken

And **[G]** time's forever frozen **[D]** still

CHORUS

[G] So you can keep me

[Em] Inside the pocket of your **[C]** ripped jeans

Holding me close until our **[D]** eyes meet

You won't ever be a **[G]** lone, wait for me to **[Em]** come home

VERSE 2

[G] Loving can heal

[Em] Loving can mend your soul

[C] And it's the only thing

[D] That I know, know

[G] I swear it will get easier

[Em] Remember that with every piece of ya

[C] And it's the only thing

[D] We take with us when we die

PRE-CHORUS

[Em] We keep this love in a **[C]** photograph

[G] We made these memories for **[D]** ourselves

Where our **[Em]** eyes are never closing

Our **[C]** hearts were never broken

And **[G]** time's forever frozen **[D]** still

CHORUS

[G] So you can keep me
[Em] Inside the pocket of your **[C]** ripped jeans
Holding me close until our **[D]** eyes meet
You won't ever be a **[G]** lone
[Em] Wait for me to come **[C]** home
Wait for me to come **[D]** home
Wait for me to come **[G]** home

BRIDGE

[Em] You can fit me
[C] Inside the necklace you got when you were
[G] Sixteen, next to your heartbeat
[D] Where I should be, keep it deep within your **[Em]** soul
[C] And if you hurt me
[G] That's okay baby, only **[D]** words bleed
Inside these pages you just **[Em]** hold me
And I won't ever let you **[C]** go

CHORUS

[G] Wait for me to come **[Em]** home
[C] Wait for me to come **[D]** home
[G] Wait for me to come **[Em]** home
[Em] When I'm away, I will re **[C]** member how you kissed me
[G] Under the lamppost back on **[D]** Sixth Street
Hearing you whisper through the **[Em]** phone
[C] Wait for me to come **[G]** home

Ukulele Tips: Chords: ****G, Em, C, D**** throughout.

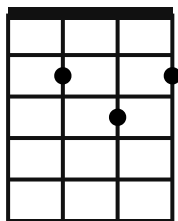

Use a gentle ****down-down-up-up-down-up**** strum or pick 4-3-2-1 for intimacy at about 85 bpm.

Keep verses soft, building to a fuller strum for the chorus.

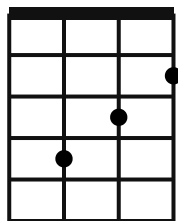

Accent the first beat of each bar for that heartbeat feel.

Let the final G chord ring out naturally — it's the emotional photograph fading into silence.
