Ukulele Tips: Chords: [G] 0232, [C] 0003, [A7] 0100, [D7] 2020.

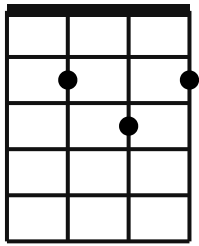

Keep a soft 3/4 waltz feel — D DU per bar works perfectly.

Strum gently, leaning on beat 1 to give it that swaying mountain ballad feel.

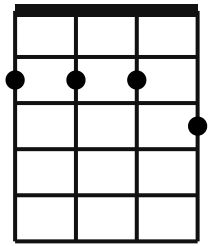

Optional: hum the harmony part (Stan Laurel's falsetto) for a bit of comic charm.
