**Ukulele Tips:** Chords: \*\*G, C, D, Em\*\* — bright, easy, and full of 70s pop punch.

Keep it funky with a \*\*down-down-up-up-down-up\*\* strum at around 120 bpm.

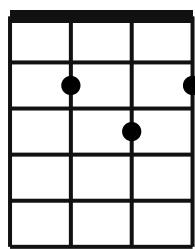

Accent the \*up\* strums to get that bouncy, syncopated groove — Monkey style!

Add palm mutes or “chuck” strums on beats 2 and 4 for a cheeky percussive kick.

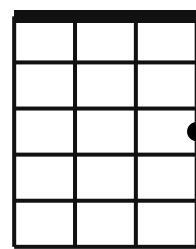

If you’re jamming with others, let someone keep a simple G-C-D vamp going while you yell the “Monkey Magic!” chant on top.

Sing it big, grin while you do it, and don’t be afraid to throw in some mock kung-fu moves — enlightenment through silliness.
