

Somebody

Depeche Mode

Key: C • Time: 4/4

INTRO

[C] [Am] [F] [G] (x2 – gentle strums or fingerpicking)

VERSE 1

[C] I want somebody to **[Am]** share
Share the rest of my **[F]** life
Share my innermost **[G]** thoughts
Know my intimate **[C]** details
And someone who'll **[Am]** stand by my side
And give me **[F]** support
And in return
She'll get my **[G]** support

VERSE 2

[C] She will listen to **[Am]** me
When I want to **[F]** speak
About the world we **[G]** live in
And life in **[C]** general
Though my views may be **[Am]** wrong
They may even be **[F]** perverted
She'll hear me out
And won't easily be **[G]** converted

VERSE 3

[C] To my way of **[Am]** thinking
In fact she'll often **[F]** disagree
But at the end of it **[G]** all
She will understand **[C]** me

INSTRUMENTAL

[C] [Am] [F] [G] (x2 – soft and slow)

VERSE 4

[C] I want somebody who **[Am]** cares
For me passionately
[F] With every thought
And with every **[G]** breath

[C] Someone who'll help me see things **[Am]**

In a different **[F]** light

All the things I detest

I will almost **[G]** like

VERSE 5

[C] I don't want to be tied

To **[Am]** anyone's strings

I'm carefully **[F]** trying to steer clear

Of those **[G]** things

But when I'm asleep

[C] I want somebody

Who will put their **[Am]** arms around me

And kiss me **[F]** tenderly

Though things like this

[G] Make me sick

In a case like this

[C] I'll get away with **[F]** it

OUTRO

[C] [Am] [F] [G] (fade softly, let final C ring)

Ukulele Tips: Chords: ****C, Am, F, G, Dm**** — simple, classic ballad shapes. Strumming: use slow ****down-down-up-up-down-up**** or single downstrokes for intimacy.

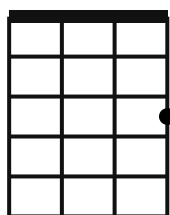

Play around 65 bpm; don't rush. The pauses between lines are the heartbeat of the song.

Fingerpicking 4-3-2-1 creates a piano-like texture that matches the original recording.

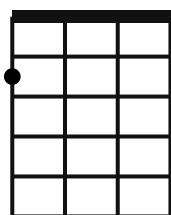

Sing quietly, close to the mic or audience — it's a confession, not a performance.

End on a whispered ****C****, let it hang in the air like an unfinished thought.
